

LIVING IN TRANSITION EFFECTIVELY

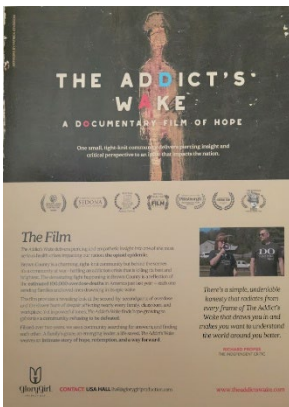

WHAT IS LITE?

LITE is an independent nonprofit Recovery Community Organization (RCO) and Regional Recovery Hub as designated by Indiana Recovery Network (IRN) and Mental Health America of Indiana (MHAI). We assist those in the recovery community and justice involved individuals make connections to community. Our entities – LITE in KCJ, LITE RCO, LITE Hub, LITE Recovery Café, and LITEhouse Recovery Residence - provide spiritual, educational, and vocational services and connections.

LITE supports all pathways to recovery and believes we're all recovering from something. We offer peer led programs, mentoring, and training. We are housed in the Milford Methodist Meeting House, work inside the Kosciusko County Jail in Warsaw, Indiana, and reach the surrounding areas and communities.

Our Regional Recovery Hub footprint spans six (6) counties. We're mentoring, recruiting, and collaborating in St. Joseph, Elkhart, Kosciusko, Fulton, Marshall, and Cass Counties

Our nonprofit is sustained through grants, donations, DMHA funds, sustaining partnerships, and volunteers. LITE is a faith-based initiative but is open to all.

LITE's main office is located at:

210 W. Catherine St., Milford
And inside the Kosciusko County Jail

Vision Statement

To implement a sustainable program encouraging personal, spiritual, and relational transformation through community collaboration. We provide peer led mentoring and guidance on a self-directed recovery and reentry journey. We support all pathways to recovery.

PROGRAM & SUPPORT FOCUS.

Inside the Kosciusko County Jail: LITE works with the jail officials to offer a variety of programs, classes, and resources to equip and transform inmates for success as they reenter their community.

Outside the jail: Many people are released from jail or recovery programs with nothing but the clothes they were wearing when they went in. LITE works with our clients to develop and reach their goals as they make a successful transition by building relationships and giving them hope and community. Our Peer Recovery Coaches, Certified Recovery Specialists, and Community Health Workers are specifically trained to guide our recoverees in this journey.

Support Groups for families and loved ones of the incarcerated: LITE provides and connects people to resources, support, mentors, and information they need to better help their loved ones make a successful transition.

Collaboration with other groups: In this community we are blessed with many resources, but it can be overwhelming to sort out the focus of each and often there is overlap. Our goal is to streamline what each does and offers and reduce the overlap and competition for resources. We are working to build collaborative efforts for success. **Collaboration = Multiplication!**

Board of Directors:

Chris Cotton
President - Northern Lakes Insurance

Rochelle Taylor
Secretary/Treasurer – Peer Recovery Supervisor

Tim Gillum
Treasurer – Retired Engineer & Project Mgr.

Directors

Kelly Bradley, Michelle Weidenbenner, Peggi Wright, Rachel Adams, Tom VanMeter, Robyn Palmer, and Mike Beezley
